HELLO THERE!

Our main goal here at MAI | Innovations is to help you find your creative voice. Branding promotes recognition, helps you build a relationship with your audience, and sets you apart from your competitors. The goal is to leave a memorable impression on consumers and give them an idea of what to expect from your company.

Creating a strong brand shows your potential clients that you have invested in yourself and believe in your business. The most successful businesses are the ones that use their branding to set themselves apart as leaders in their industry—think Google, Disney, or Starbucks.

By leveraging your unique strengths we can help you create that strong brand and in turn grow your community and online presence. Lets get to work!

Book a free 15min consult through our website to discuss your branding needs and vision.

BRANDING PROOF & DEPOSIT

Based on your vision for your brand, we'll create a branding proof to give you an idea of the creative direction we're taking. Once you approve, we'll send the service contract and invoice for a 50% non-refundable deposit.

BUILD YOUR BRAND

This is where the fun starts! First, we do brand and market research. Then, we move to logos, font-type, and color palettes. Lastly, we work on print collateral and digital assets.

Turn Around Time: Two (2) to Four(4) weeks

FINAL PAYMENT & DELIVERABLES

After reviewing and approving all the design elements, we'll send over the final invoice for the remaining balance. Once paid, we'll send your branding suite/guidelines and place any print orders.
